PRECONTRACT APPROVAL RECORD (PART TWO)	CONTRACT [Redacted]
---	------------------------

The services and equipment being procured by this Contract No. FH-7322  
Amendment No. 11 are in furtherance of the EARNING  
 Program(s), the nature of which cannot be publicly disclosed for security rea-  
 sons. The Contracting Officer therefore determines that this procurement must  
 be accomplished by negotiations pursuant to the authority of Section 3(a) of  
 PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  
 15 October 1961.

Certification of funds for this contract will be handled under the pro-  
 cedure approved by the Director of Central Intelligence on 15 December 1956  
 which, in effect, results in all covert expenses involving issuance of Treasury  
 Checks being accumulated in a separate account within the Finance Division. The  
 amounts in this account will be periodically scheduled for certification of the  
 vouchers by the Director. This procedure eliminates the necessity for a sepa-  
 rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  
 gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the  
 terms and provisions generally of this contract/amendment, and a resume of  
 major issues negotiated:

This amendment is written to incorporate work associated  
 with Spares Management.

The Spares Management task had been proposed during 1966  
 and turned down by the negotiator as a possible duplication of  
 work then under contract. Many subsequent conversations were  
 held on the subject without resolution. The contractor was  
 invited to present his claim (Attach "A") to the Deputy Chief/CMD  
 and, based on the presentation, it was adjudged that the proposal  
 (Attach. "B") had some merit and that about 50% of the effort was  
 new scope. Thus, the contractor was offered [Redacted] in Cost  
 and [Redacted] fee. This was accepted.

Attachments are filed with Amendment No. 10 of Cont. FH-7321.
